

# EMIRATES STEEL INCREASED EMPLOYEE LOYALTY WITH SAP SUCCESSFACTORS

## Challenges

- With SAP Portal, data input which was previously done on separate and inefficient systems, are now unified. Employees are easily included in this process.
- SuccessFactors enhanced company corporate culture by implementing a self-service system, managed by HR.

## Solutions

- SAP SuccessFactors Performance & Goal Management
- SAP SuccessFactors Learning Management
- SAP SuccessFactors Succession & Development

## Benefits

- Increasing the importance and value of HR with a holistic approach. Managing HR processes from a single center flexibly.
- Talent Management processes, establishment, management and reflecting the benefit to employees. Increasing employee loyalty.

## Why NTT DATA Business Solutions?

- Large number of consultants in HR expertise
- Global expertise and know how
- Industrial best practice reference
